

## **KBC Inc Design/Build Remodeling**

### Description:

KBC is a widely known Design/Build company specializing in room additions, kitchen, bathroom, and basement remodeling, as well as composite decks, screened porches and commercial remodeling. Founded in 1987, we are celebrating 22 years of successful projects with a team of skilled architects, carpenters and trade contractors.

Customers are a vital part of the KBC team. Many are repeat clients and refer their neighbors, family and friends. KBC strives to leave each project with a new friend and a delighted client.
